## EVENT AT A GLANCE

There's one night of the year when the design industry celebrates its furry friends and that is the River North Design District's Pup Crawl & Cat Walk. For this special event, in partnership with PAWS Chicago, the River North Design District pairs Chicago's top designers with our design showrooms to create an evening of fun.

Each designer is tasked to create pet accoutrements (think dog beds, cat condos and the like!) which will be auctioned off during the event. 100% of the proceeds from the auction will support our four-legged friends at PAWS Chicago. Meet adorable PAWS pets available for adoption at our showrooms—but kindly leave your own pets at home.

## ABOUT PAWS CHICAGO

PAWS Chicago is one of the largest comprehensive No Kill animal welfare organizations in the nation, building programs to end the killing of homeless pets. PAWS is best known for healing and rehabilitating around 5,000 homeless cats and dogs each year at its state-of-the-art homeless pet hospital and finding them loving families through its adoption program. PAWS Chicago also operates the city's largest high-volume spay/neuter clinic, providing more than 16,000 low- or no-cost spay/neuter surgeries each year and low-cost and free medical care for owned pets in need. Since its founding in 1997, when more than 42,000 pets were killed in Chicago, PAWS Chicago has led the reduction in homeless pet euthanasia in Chicago by 90.2 percent. PAWS Chicago has earned the highest 4-star ranking by Charity Navigator, the nation's largest independent evaluator, since 2003.

## RIVER NORTH DESIGN DISTRICT

The **River North Design District**, founded in 2013, is a local community that boasts interior design offerings accessible to both designers and consumers. The showrooms carry everything to create a one-of-a-kind haven—from lighting, tile, plumbing, rugs, and kitchens to furnishings. The participating showrooms pride themselves on providing a shopping experience that is unique and personalized. Many of our showrooms are located on street level, allowing customers to stroll along and enjoy the neighborhood. Please visit [rivernorthdesigndistrict.com](http://rivernorthdesigndistrict.com) for more information.
